The History

In 1925 Manzone Giovanni purchased "Cabor del Pieve" (the Parish Priest house) and he started the winemaking in Castelletto. During the years the Manzone family purchased important vineyards on the historic hill of "CASTELLETO" and "GRAMOLERE", two of the best crus in Monforte d'Alba. Recently Mauro (2005) and Miriella Manzone (2012) joined their father Giovanni in the management of the winery. Mauro and Miriella are graduated from the famed Oenology School of Alba.

The Philosophy

Manzone Giovanni winery is located in Monforte d'Alba, Piedmont. The entire production is focused on high-quality and limited to about 50,000 bottles per year, using only estate-grown grapes. The vineyard ELEVATION (350-500 metres, 1,100-1600 feet), the EXTREME STEEPNESS and the GREAT TERROIR foster naturally low-yielding vines which produce wines that are approachable while young, yet remain amongst the most concentrated and longest-lived of all Barolos. We cultivate our vineyards following healthy and sustainable viticultural principles. Natural grass is left between the rows of vines, mowed and left on the ground to form humus. All the wines are unclarified and unfiltered, and added in minimal amounts of SO2. Manzone Giovanni has been awarded "The Green Experience" certification, promoted by Coldiretti Cuneo

Langhe Rossese Bianco Rossarotto D.O.C.

Rossese bianco is a rare white grape, rediscovered by Manzone Giovanni. This indigenous varietal was saved from extinction in an old family vineyard in Monforte d'Alba. Since 1982 we produce an intriguing, age-worthy white with a remarkable structure. Enjoy it between 12°C and 16°C (54°F and 61°F) to bring out its fragrant notes of citrus and exotic fruits.
